**BRAIN JACK** by Brian Falkner | Kirkus Reviews

A cyber-thriller that reads like a video game. Sam Wilson isn't out of high school yet, but he's on his way to becoming the most wanted hacker in the world--first for crashing the international computer grid (well, he didn't mean to), then for subverting the White House security system (OK, that was on purpose).

**Amazon.com: Brain Jack (9780375843679): Brian Falkner: Books**

Brain Jack is a great book and I plan on reading more books by the author, Brian Falkner. I've read this book from several places I've lived in the past and finally decided to purchase the book. I give the book 5 stars on the basis that I can relate to the storyline very well, the characters are neat and always have a few witty remarks, and it is just a nice book altogether. Read more.
