William Chittick addresses with admirable succinctness the fundamental themes of this message, both in its own terms, and with continuous reference to the school of sophia perennis.

Ibn Arabi On Imagination and The Creation Of The Universe ...

Ibn Arabi On Imagination and The Creation Of The Universe Eschatology is the part of theology concerned with death, judgement, and the final destiny of the soul and of humankind. The scholars who discussed it covered a wide variety of topics, two among them being the voluntary return to Allah which relates to attaining spiritual perfection and the compulsory return which is the death of a person.
