[Math Classes Required for a Laboratory Technician | The ...](#)

While mathematics is not a large portion of a laboratory technician degree program, laboratory technicians are expected to know a certain amount of mathematics. Most programs require students to take a mathematics placement exam to test their level of math knowledge. Students who take algebra 1 and 2 in high school and do well on the placement exam can go straight into trigonometry or pre [Mathematics Laboratory Mathematics Education](#) Mathematics laboratory is a place to enjoy mathematics through informal exploration. It is a place where anyone can generate problems and struggle to get a answer. It is a space to explore and design new mathematical activities.

So, the maths lab should not be used to assess students knowledge of mathematics. Often mathematics lab takes students knowledge beyond the curriculum.
