The Time Keeper Mitch Albom

The Time Keeper is a compelling fable about the first man on earth to count the hours. The man who became Father Time. In *The Time Keeper*, the inventor of the world's first clock is punished for trying to measure God's greatest gift. He is banished to a cave for centuries and forced to listen to the voices of all who come after him seeking more days, more years. Eventually, with his soul nearly broken, Father Time is granted his freedom, along with a magical hourglass and a mission: a
