The Ant and the Elephant - World Stories

The ant and the elephant were very good friends indeed and would play together whenever they had the chance. The trouble was, the elephant's father was a very strict father and he did not like his son playing when there was homework to be done, or if his mother needed chores doing.

Book Review: The Ant and the Elephant by Vince Poscente

In *The Ant and the Elephant*, the Ant is a metaphor for the conscious mind: the logical and problem solving part of ourselves that is aware and in control of decision-making. The Elephant is a metaphor of the sub-conscious mind; that which moves, speaks to us and makes decisions without us having any particular thought to it.
