The City of Ember: Book 1 - daal.deltaschools.com

The city of Ember was old, and everything in it, including the power lines, was in need of repair. So now and then the lights would flicker and go out. These were terrible moments for the people of Ember. As they came to a halt in the middle of the street or stood stock-still in their houses, afraid to move in the utter blackness, they were reminded of something they preferred not to think
